AMINE KADDOUR
Data Science Master's student | Algiers, Algeria
amine.kaddour@example.org | +213 555 000 111

SUMMARY

Data science master's student specialising in machine learning, seeking remote ML internships and research opportunities.

SKILLS

Python, SQL, Pandas, NumPy, PyTorch, scikit-learn, Machine Learning, Deep Learning, Git, Linux

LANGUAGES

Arabic (native), French (fluent), English (B2)

EDUCATION

MSc Data Science, USTHB Algiers, 2025 - 2027
BSc Computer Science, USTHB Algiers, 2022 - 2025

EXPERIENCE

Machine Learning Intern, NAMOCO Analytics, Jun - Sep 2025
Built a churn prediction model with Python and scikit-learn.
Data Analyst (Freelance), 2024 - present
Dashboards and reporting for SME clients.

PROJECTS

Churn-Prediction-Toolkit - https://github.com/example-user/churn-toolkit
Python, scikit-learn, pandas.

CERTIFICATES

Deep Learning Bootcamp, ALX Africa, March 2025, 120 hours

INTERESTS

NLP, computer vision, AI research
